NIRANJAN RAJU TIRUVALLURU

College Graduate | Software Engineer

Phone: +91 9849592791 Email: rajuniranjan1910@gmail.com LinkedIn GitHub Location: Hyderabad, India

CAREER OBJECTIVE

Dedicated graduate Elevated user engagement by 25% through a weather app's responsive interface. Seeks to apply technical prowess and problem-solving skills to propel impactful solutions in software development. Proficient in pioneering advanced technological implementations for optimal performance and operational efficiency.

EDUCATION

Bachelor of Technology in Electrical and Electronics Engineering KKR & KSR Institute of Technology and Sciences

August 2019 – July 2023 CGPA: 7.0

Board of Intermediate Education

June 2017 – May 2019

Sri Gayatri Junior College

CGPA: 7.3

TECHNICAL SKILLS

Programming Language: C, Python

• Web Technologies: HTML, CSS, JavaScript, React JS, Next JS, Node JS, Express JS, MongoDB

• Technical Proficiency: CRUD Operations

Version control: Git/GitHubOperating Systems: Windows

EXPERIENCE

Front End Developer Dec 2023 – Present

KLUB STACK

- Developed new features improving user experience and interface responsiveness.
- Identified and resolved UI/UX issues through debugging React components.
- Contributed to agile development processes, updating UI components based on feedback.

Technologies: React JS, Tailwind CSS, Git, Next JS.

PROJECTS

Portfolio Web App | Demo | GitHub

Oct 2023 - Nov 2023

- Constructed a responsive personal portfolio using Next JS and Tailwind CSS.
- Implemented Next.js functionalities for optimized website performance.
- Utilized Tailwind CSS for streamlined design and development.

Technologies: Next JS, Tailwind CSS, JavaScript

Weather Web App | Demo | GitHub

August 2023 – September 2023

- Crafted an intuitive and adaptable interface leveraging React, resulting in a substantial 25% surge in user engagement by enhancing usability and facilitating an enriched user experience.
- Guaranteed a cohesive and uninterrupted user experience across various devices by skillfully integrating HTML and SCSS, ensuring consistent design.
- Ensured universal accessibility and improved user reach by optimizing compatibility across diverse screen sizes, fostering greater accessibility and usability for a broader.

Technologies: React JS, Tailwind CSS, JavaScript

CERTIFICATIONS & ACHEIVEMENTS

- Gained Proficiency in C Programming
- Attained Certification in Python Programming
- Gained JavaScript Algorithms and Data Structures
- Attended Front End Development Libraries
